Key Benefits

Your business keeps evolving, making it difficult to know what kind of software and number of licenses you'll need from year to year. PTC Subscription simplifies this process so you can focus on growing your business.

- Adjust the software and support you need to fit your business priorities by scaling your usage or re-mixing the software capabilities needed
- Match costs to immediate benefits with lower upfront costs and deliver faster ROI for your projects
- Manage costs and budgets with a predictable payment schedule that includes software and support in one subscription

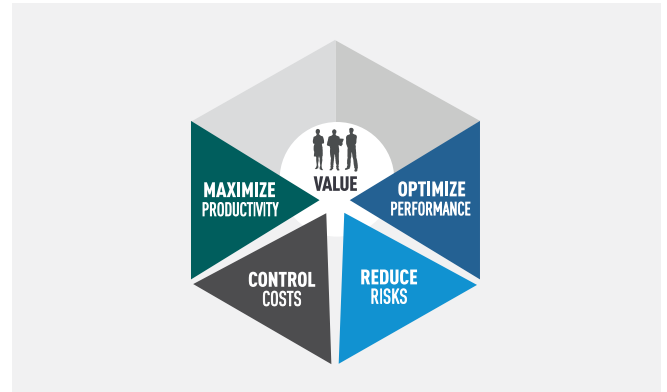

Cloud Services

In addition to subscription, you can also outsource hardware, administration, maintenance, and support with cloud deployment. Leave the hassle up to the experts to ensure you get the most from your software. Let PTC manage the critical applications in the cloud while you manage your business. With PTC Cloud Services, our professionals continually optimize your application's operations and environment. You'll benefit from:

- Software Deployment Flexibility
- Faster Implementation
- Lower IT Costs
- Seamless Maintenance

Support

Standard subscription pricing will include PTC's award-winning GOLD Support package. This gives you access to a comprehensive support experience that includes regular software improvements, web-based technical assistance, software usage expertise as well as assisted technical support from a team of specialists certified in ISO Quality processes. PTC designed each feature of the GOLD Support package to provide value to your business so you can:

- Maximize Productivity
- Optimize System Capability and Performance
- Control Costs
- Reduce Risks
